Perfect playing conditions – all over the world.

All over the world, football turf pitches with a "FIFA RECOMMENDED" turf's provide the best playing conditions. Irrespective of the location, time or climate, a football turf pitch with the internationally accepted FIFA seal of approval unites excellent playing conditions similar to those on a good grass pitch with the advantages of an artificial pitch: longer playability, less maintenance work and costs, and high resistance to weather and climatic changes. Football turf – for great matches. Fédération Internationale de Football Association, FIFA Quality Concept, FIFA-Strasse 20, P.O. Box, 8004 Zurich, Switzerland.
